Note – The Denver Health Benefits staff has made every effort to ensure the accuracy of the information in this booklet. In the event of a discrepancy, and in all instances, the plan documents and contract shall prevail. To obtain a copy of the plan documents, contact the HR Employee Benefits Center at **303- 602-7000**. This booklet does not constitute a contract, either express or implied, between Denver Health and any employee.

A Message from Our CEO

Dear colleagues,

This year has been extraordinary in so many ways, and as a team we have gone above and beyond to be here for the people of Denver. The leadership team and I value every employee at Denver Health. We want the best for you and your family; and we are committed to providing benefits supporting your overall health and well-being.

Annual open enrollment is quickly approaching and your window to change benefits is October 1st to October 16th.

You will notice your cost for medical and dental insurance has not increased for 2021. Denver Health is absorbing the cost increases on health and dental insurance. Employees enrolled in the voluntary vision insurance will have a rate decrease of seven percent. In addition, life and short term disability insurance will not increase in 2021.

As you read through this benefits guide, we highlighted programs available to you and your family to help navigate the world we find ourselves living in today. Our Employee Assistance Plan (EAP), Resilience in Stressful Events (RISE) peer support program, and WorkLife Partnership's resources, are all confidential, free and easy to use. As a reminder, behavioral and substance use treatment are covered under our medical plans.

We know this year has been difficult for everyone and especially hard for those in health care. Open enrollment provides an opportunity to evaluate your needs, and those of your family, to ensure you have the resources you need in place for the coming year. Please, take some time to review this information before making your choices for 2021.

If you have questions about benefits or need to access this information in another language, our partner Health Advocate is able to walk through all open enrollment information and can be reached by phone at (866) 799-2728 from 6 a.m. to 8 p.m., Monday thru Friday or via email at benefits@dhha.org.

Thank you for your dedication and relentless hard work.

Robin D. Wittenstein, Ed.D., FACHE

2020 brought us many unexpected challenges and stressors. Our employee benefits plan provides support for you and your family and we want you to know that you are not alone. Below is a brief summary of services available to you, many of which are also available to your family. We encourage you to take advantage of these services if you or a family member is struggling. If you have any questions about the options please contact our employee benefits team at Benefits@dhha.org or (303) 602-7000.

Health Advocate Employee Assistance Program (EAP)

24/7 Support 866-799-2728

Benefits for you, your spouse or domestic partner, dependent children, parents, and parents-in-laws, to help find resources to solve personal problems. These problems may include issues with family, childcare, alcohol, drugs, emotions, stress, and legal or financial questions. EAP is available 24 hours a day/7 days a week.

- 5 counseling sessions per incident, per family member, per year at no charge to you. Every effort will be made to match you with an in network provider should you chose to continue treatment after your initial 5 visits
- All calls and services are confidential
- Call **866-799-2728** or go to HealthAdvocate.com/members. Email at answers@HealthAdvocate.com or use the Health Advocate mobile app.

Resilience in Stressful Events (RISE): Peer Support for Caregivers in Distress

24/7 Support 303-436-RISE (7473)

Denver Health RISE Peer Responders are available 24/7 to provide immediate, confidential peer support and psychological first aid for all Denver Health personnel who experience distressing events at work. Examples include the unexpected loss of a patient; cumulative exposure to stress; a troubling encounter with a family member; an adverse clinical care situation; workplace violence; or a medication error. Email DHRISE@dhha.org for more information; for 24/7 support call **303.436-RISE (7473)**. Denver Health RISE is a hospital-based program created by Johns Hopkins Medicine and Maryland Patient Safety Center.

Behavioral Health and Substance Misuse Treatment

Dealing with behavioral health issues or substance misuse can be stressful for you and your family. Your medical plan pays for treatment both inside and outside of the Denver Health System. For outpatient office visits, you are able to book an appointment with either a Denver Health, or Cofinity provider directly without a prior authorization. When you are ready for more help, such as an inpatient, residential or an intensive outpatient program, work with either your primary care doctor or your behavioral healthcare provider to obtain a prior authorization from the Denver Health Medical Plan. If you need time away from work to obtain treatment, you may be eligible for a leave of absence and a portion of your income may be replaced while you are getting well. Please contact the Leave of Absence (LOA) team to discuss your options at **303-602-7007**, or by e-mail at LOAFMLProcess@dhha.org. All calls are confidential and no medical information will be shared with anyone outside of the LOA team and your provider.

WorkLife Partnership: Better Work. Better Life.

24/7 text NAVIGATOR to 888-219-8993, email navigator@worklifepartnership.org

Denver Health partners with WorkLife (Worklifepartnership.org) to provide resources and assistance to help you overcome work-life challenges. WorkLife services are always free and confidential. Examples of how WorkLife Navigators may help:

- Determine the best housing for your situation and guide you to search options and financial assistance for things like a deposit.
- Find reliable and affordable transportation options.
- Find budgeting solutions for debt issues, help apply for hospital assistance programs, or help to understand medical bills.
- Navigate employee assistance programs or community resources to find free/low cost options for counseling and/or legal services.
- Accessing Resources for affordable childcare.

Contact a WorkLife Navigator at 303-298-1625, text NAVIGATOR to 888-219-8993, email navigator@worklifepartnership.org or visit worklifepartnership.org/contact-navigator. A Navigator will contact you within one business day.

Health Advocate Call Center

6AM – 6 PM MT 866-799-2728

The Health Advocate Call Center representatives are available from 6 AM to 6 PM for benefit questions. For EAP related questions, you can call 24/7. You can reach an advocate at **866-799-2728** or HealthAdvocate.com/members. Health Advocate can assist you with:

- Questions about your benefit choices and options
- Finding a doctor, scheduling an appointment or prior authorizations

Updating Your Address/Phone Number

In order to ensure you receive your updated insurance cards and information, please make sure your contact information is up-to-date in Compass. Making an address change in the HRIS system will automatically update the following areas: Payroll, Benefits, HR, Accounts Payable, and benefit vendors (Fidelity, DHMP, Delta Dental, and VSP)

Other Benefit Information

We are not making any changes to the benefits under the Dental, Vision, Disability or Life insurance programs. **The premiums for medical and dental coverage are not changing and vision costs are decreasing;** more information can be found on pages 16-19 of this guide, available on the Pulse, and through the enrollment site on Lawson

Any changes made to your benefit elections will take effect on January 1, 2021. Your new premium deductions will be taken out of your paycheck on January 12th, 2021.

NEW Accident Benefit. Employees are able to purchase Accident Insurance from Unum at discounted rates through payroll deductions. This **voluntary** accident coverage can help you meet the out-of-pocket expenses and extra bills that can follow an accidental injury. Lump sum benefits are paid directly to you based on the care you receive.

NEW Pet Insurance. Beginning 1/1/2021, you can purchase insurance coverage for your pets. After a low deductible, receive reimbursements for accident and illness care.

CHANGE HighPoint POS Plan Cost Sharing

Members enrolled in the HighPoint POS plan will have one deductible, out of pocket maximum, co-pay, and co-insurance schedule regardless of where services are received. This will allow employees and their families to meet their accumulation thresholds faster, and make it easier to plan your costs. For detailed plan information, please see pages 9 – 14 of this guide.

Automatic contribution increase to your 457(b) plan – Fidelity Benefits

We want to help our employees save for retirement. Social Security alone is not enough to fully support most people during retirement, and neither is the Social Security Replacement Benefit under the Denver Health Retirement Plans. While the Social Security Replacement Benefit has helped increase retirement savings, many Denver Health participants are still not financially ready for retirement. To reverse this trend, and help make it easier for our valued employees to save for retirement, we are implementing the following change to the Denver Health 457(b) Retirement Plan:

Automatic Contribution Increase

Effective January 1, 2021, Denver Health employees hired prior to July 1, 2020 and contributing between 1% - 9.5% to the Denver Health 457(b) Retirement Plan will have a one-time automatic increase of their contribution of 1%.

The contribution increase will take place automatically, without any action required on your part. **However, you will have the opportunity to proactively make changes or opt out of the service. If you would like to opt out of the automatic increase or make changes,** log onto NetBenefits® at www.netbenefits.com/denverhealth or call 800-343-0860 before December 15th, 2020, to speak with a Fidelity representative.

We encourage you to take an active role in planning for your future and your retirement. We hope you take full advantage of the great retirement benefit available to you as a valued employee of Denver Health.

Questions Regarding Benefits Eligibility?

IMPORTANT REMINDER

Qualifying Life Event or New Hires 30 Day Deadline

As a new hire employee or when you have a qualifying life event (p.36), **you must choose your benefit elections and complete your enrollment for coverage within 30 days** of your hire date or life event to receive benefits for the remainder of the 2021 plan year. If you don't make your elections and complete enrollment during this enrollment period, you will have to wait until the next Open Enrollment period to choose benefits. Benefits will start the first of the month after your date of hire.

Who is Eligible for Benefits?

- Full-time employees who regularly work 30 - 40 hours a week. (.75 - 1.0 FTE)
- Part-time employees who work between 20 and 30 hours a week. (.5 - .749 FTE)

Who is an Eligible Dependent?

- A legal spouse, common-law spouse, domestic partner, or Colorado Civil Union.
- A married or unmarried child, age 26 and younger, or dependent children over age 26 if permanently disabled.
- An adopted child or a child placed with you for adoption.
- An unmarried child for whom you or your spouse has court-ordered custody or legal guardianship.*

*Legal guardianship is established by the court, whereby a minor child is placed under the supervision of a guardian who, under the terms of the legal guardianship, is legally responsible for the care and custody of the child. A notarized statement from family members is not sufficient to establish a legal guardianship.

Dependent Information

It is very important that your dependent information be kept up-to-date with the HR Employee Benefits Center. It is your responsibility to notify the Benefits Center within 30 days of a child becoming ineligible for coverage, obtaining other coverage, or aging out of the plan. When the Benefits Center is notified on time, children aging out of the plan may receive a COBRA notice explaining their right to buy back their health care for up to a maximum of 18 months. Failure to notify the Benefits Center and continuing to use insurance for ineligible dependents is considered insurance fraud. See page 10 for dependent eligibility.

Who is NOT an Eligible Dependent?

- An ex-spouse, ex-common-law spouse, an ex-domestic partner, an ex-Colorado Civil Union, a parent or parent-in-law.
- Grandchildren, siblings, nephews, nieces, cousins, aunts, uncles and grandparents.

*Only dependents who meet the definition of eligible dependent can be enrolled in Denver Health benefit plans.

Knowingly adding, or not removing, ineligible individuals from your Denver Health medical, dental and vision plans is considered insurance fraud. Employees committing insurance fraud may be terminated from employment and reported to the State of Colorado Insurance Commissioner. In addition, the employee may be liable to repay premiums to Denver Health and Hospital Authority and/or expenses incurred by the Denver Health Medical Plan, Inc.

Additional Questions?

Contact the HR Employee Benefits Center at **303-602-7000** or via email at benefits@dhha.org.

When Can I Change My Benefits?

The only time you may change your benefit elections is during the annual open enrollment period, or if you experience a Qualifying Life Event as defined by the IRS during the plan year. If you experience an event and wish to change your benefits as a result, please contact the benefits department at 303-602-7000 or benefits@dhha.org.

Important information

- A qualifying life event does not allow you to make plan-to-plan changes
- You will be required to provide the listed documentation within 30 days from the event date.
- If changes are not made within the 30-day time period, open enrollment will be your next opportunity to change your benefits.

Qualifying Life Event	Documentation Needed – photo copies accepted	Permitted Changes
Marriage	Marriage License or Certificate	Can add new dependents to existing plans; enroll in health, dental, and vision plans; change FSA election or amount. Can remove dependents or drop plans, if gaining other coverage.
Common Law Marriage	Affidavit of Common Law Marriage	
Registration of Domestic Partnership	Affidavit of Domestic Partnership	
Colorado Civil Union	Affidavit of Domestic Partnership	
Legal Separation	Legal Separation Order	Allows for removal of all ineligible dependents from current plans. Change FSA election or amount. Cannot switch plans or enroll in new plans.
Divorce	Final Divorce Decree	
Dissolution of Common Law Marriage		
Dissolution of Colorado Civil Union		
Dissolution of Domestic Partnership	Statement of Termination of Domestic Partnership	
Birth (covered for first 30 days parents must enroll for coverage to continue)	Birth Certificate, Hospital Certificate, or The Hospital Birth Worksheet	Can add new dependent to existing plan. Change FSA election or amount. Cannot switch plans, or remove dependents.
Adoption	Adoption Court Papers	
Legal Guardianship – Custody of Dependents	Final Court Decree	
Death of a Dependent	Certified Copy of Death Certificate	
Gaining other coverage through a spouse's Open Enrollment	HIPAA Certificate, COBRA Notice or Letter from Spouse's Previous Employer*	Can drop coverage if gaining coverage through a spouse. Can add spouse and dependent children to health, dental and vision benefits. Change FSA election or amount. Must provide proof coverage lost in last 30 days.
Termination or Commencement of Spouse's Employment		
Change in Spouse's Employment Status		
Significant Change in Spouse's Health Care Coverage Due to Spouse's Employment		
Change in Employment Status from a Non-benefit eligible to Benefit-eligible Position	No documentation required	Enroll in all benefit options. Employees moving from FT to PT position may remove dependents.
Dependent Reaching Ineligible Age	No documentation required	Remove ineligible dependent; change FSA election or amount.
Medicare Eligibility for You or Your Spouse	Proof of Medicare Eligibility must be within 60 days	Opt out of health, dental, vision benefits, and change FSA election or amount.
Medicare/Medicaid Eligibility for Your Dependent(s)	Proof of Medicare Eligibility must be within 60 days	
Eligibility for subsidized coverage under government exchange	Proof of eligibility and enrollment must be within 30 days	

* Letters must be on the business letterhead and provided by a Human Resources representative. The letter must provide appropriate information to determine if employee previously had health insurance and when the health insurance coverage ended. It is the employee's responsibility to make sure the information provided is sufficient and accurate.

Denver Health Medical Plans

Call 303-602-2100 or DHMPmemberservices@dhha.org

Denver Health employees can obtain detailed plan materials for the health plans from the Employee Benefits sub-site on the Pulse, from the Denver Health Medical Plan by reaching out at 303-602-2100 or DHMPmemberservices@dhha.org, or from the HR Benefits Center. It is important for you to carefully review all the plan literature and other information.

About Our Networks

Denver Health provides you with three different medical plans with different networks under the Denver Health Medical Plans (DHMP). Employees who choose the Denver Health HMO plan pay lower premiums, pay less for services when received, and can always be referred to a specialist or facility out of network if Denver Health providers are not available in a timely manner. Typically, “timely” means within 60 days. However, if the Member has a more urgent need, those timeframes can change.

- DHHA Medical Care HMO (Denver Health main campus and clinics)
- HighPoint HMO (Denver Health, University of Colorado, and Children’s Hospital and affiliated network providers)
- HighPoint Point of Service (HighPoint HMO network plus Cofinity network facilities and providers)

Prior authorization may be required for some services. Please refer to the prior authorization list, which can be found on our website at www.denverhealthmedicalplan.org/prior-authorization-list. For questions about prior authorization, please call Member Services at 303-602-2100 or toll-free at 1-800-700-8140 (TTY/ TDD users should call 711) between 7 AM – 7 PM MT Monday – Friday.

Medical Plan Comparison

	DHHA Medical Care HMO	HighPoint HMO	HighPoint POS
Why employees choose plan	Most cost effective option	Broader choice when selecting providers	Maximum freedom of choice when selecting a provider
Copay	Lowest copays	Higher copays	Slightly higher copays for physician office visits and specialty visits.
Deductible	No deductibles	\$100 per member, or \$200 per family. All individual deductible amounts will count toward the family deductible. An individual will not have to pay more than the individual deductible amount.	Deductible of \$500 per individual/\$1,000 per family for certain services.
Works with coinsurance	No coinsurance, except for Durable Medical Equipment	No coinsurance, except for Durable Medical Equipment	20% coinsurance for diagnostic and hospital services

Intensive Outpatient Treatment	Copay: \$10 at Denver Health, \$25 with Cofinity provider	Copay: \$10 at Denver Health, \$35 with Cofinity provider	\$30 copay per visit
Please note that Inpatient, Residential, and Intensive Outpatient Treatment require a prior authorization by DHMP. Additional services while receiving treatments such as laboratory tests and medication may require a separate co-pay or co-insurance payment. Services received outside of the Denver Health network may require prior authorization. There are options to receive care both within the Denver Health Network, and through non Denver Health providers. Please work with your primary care or behavioral healthcare provider to discuss your options.			
Other			
Durable Medical Equipment	20% coinsurance applies		
Routine Eye Exams	20% coinsurance applies

Hearing Aids				
Adults	Medically-necessary hearing aids prescribed by a DHMP Medical Care Network provider are covered every five years in-network. For adults aged 18 and older, there is a \$1,500 benefit maximum every 5 years. Charges exceeding the maximum are the responsibility of the member. Cochlear implants are covered for adults. The device is covered at 100%; applicable inpatient/outpatient surgery charges apply.			
Children	Children younger than 18 are covered at 100%; no maximum benefit applies. Hearing screens and fittings for hearing aids are covered under office visits and the applicable copayment applies. Hearing aids no longer apply to the annual DME limit. Cochlear implants are covered for children. The device is covered at 100%; applicable inpatient/outpatient surgery charges apply.			
Dental Care under the Medical Plans is not covered. See Delta Dental of Colorado plans on page 15.

** 0.5 to 0.74 FTEs are considered Part-Time for Benefits.

Dental Plans

Delta Dental

Denver Health offers three dental plans through Delta Dental of Colorado. The Delta PPO Premier Plan has additional discounts that you can choose to use at a PPO Dental Provider for your dental care. A brief comparison chart follows, and pretax per-pay-period deductions are listed below.

Delta Dental Providers

Delta Dental is the most comprehensive provider network in the Denver Metro Area. Here are three dental options:

- **Delta Dental EPO 3C Basic, Group #7155:** This plan is designed to maintain your overall good dental health, while providing coverage for fillings and other restorative needs, as well as orthodontics. This plan is a copay system. This plan utilizes dentists from the EPO/PPO Provider list. You can also search for dentists at www.deltadentalco.com.
- **Delta Dental EPO 1B, Group #0587:** This plan provides more comprehensive coverage for your restorative and orthodontic needs. This plan is a copay system. This plan also utilizes the EPO/PPO Provider list. You can search for dentists at www.deltadentalco.com.
- **Delta Dental PPO/Premier, Group #7967:** This plan is a traditional indemnity plan designed to offer you the most flexibility. Utilizing deductibles and coinsurances, and without the restrictions of a provider list, you can go to any dentist you want. Premier members can lower their dental costs when they choose to utilize a PPO Provider. Adult orthodontic coverage is not offered under Delta PPO Premier Plan. **This is the only option that covers dental implants.**

Dental Care

One of the primary ways to ensure that your dental premiums remain stable is for participants to take advantage of dental preventative cleanings and exams under the dental plans. Poor oral health leads to other expensive dental and health procedures like tooth decay, gum disease, heart disease, heart attacks, strokes, and respiratory disease.

2021 Employee Dental Premiums — Per Pay Period

Same benefits but without rate changes over 2020 rates!

Despite requiring a 6% increase for 2021, employee premiums will not change. Denver Health will pick up the full increase in 2021.

Premiums taken from 24 of your 26 Bi-Weekly Paychecks

Extra Savings Available Through Vision Plan

Retinal Screening

No more than a \$39 copay on routine retinal screening as an enhancement to a Well Vision exam.

Laser Vision Correction

Average 15% off the regular price or 5% off the promotional price. Discounts are only available from contracted facilities.

Glasses and Sunglasses

- Extra \$20 to spend on featured frame brands. Go to www.vsp.com for details.
- 20% savings on additional glasses and sunglasses, including lens enhancements from any VSP provider within 12 months of your last Well Vision exam.

*Please note: For two party coverage, frame allowance will apply every 24 months, even if covered dependent changes.

Flexible Spending Accounts

Discovery Benefits

Benefit-eligible employees may choose to participate in Flexible Spending Accounts (FSA) through Discovery Benefits for the 2021 plan year. Denver Health provides these accounts to assist with budgeting out-of-pocket medical and dependent care expenses. Through the FSA plans, employees can direct part of their paycheck into these special accounts on a pretax basis.

IMPORTANT Re-enrollment is required every year.

A Flexible Spending Account offers the following benefits:

- Reduce your state and federal taxes, because FSA contributions are untaxed at the time of withdrawal.
- Taxable income may be decreased, while spendable income is increased.
- The ability to budget for health care and dependent care expenses that are not paid for by other benefit programs in advance for the following year. This account should be carefully managed, because any unused money left in the account at the end of the plan year will be lost.
- Use pretax dollars to pay for uninsured usual and customary health care expenses (i.e. eyeglasses, deductibles, copayments, coinsurance, over-the-counter supplies, etc.), and usual and customary dependent care expenses (day care costs incurred while you work).
- The convenience of setting aside money through regular pretax payroll deduction.

How to Log into Your Account

If you have an email address on file with Discovery Benefits, you can create your account online. Just go to www.DiscoveryBenefits.com, click the Login button and select "HSA, FSA, HRA & Commuter Login." Select Create your new username and password and complete the steps to activate your account.

If you don't have an email address on file, Discovery Benefits will need to help you set up your online account. Please call them at 866-451-3399 within 30 days of enrolling in your FSA with Discovery Benefits to ensure you can access your account online when you need to.

Additionally, Discovery Benefits has a mobile app where you can access your benefits to get real-time access to your accounts in one spot 24/7. From the app, you can:

- Check your balance and view account activity
- Get instant notifications on the status of your claims
- File a claim and upload documentation in seconds using your phone's camera
- Scan an item's bar code with your phone's camera to determine if it's an IRS code Section 213(D) eligible expense.
- Report a card as lost or stolen
- Reset login credentials

Health Care Flexible Spending Account

The Health Care Flexible Spending Account allows employees to set aside between \$240 and \$2,750 pretax dollars per calendar year for reimbursement for some usual and customary out-of-pocket health care costs of the employee, spouse and children. This money can be used for deductibles, copays, coinsurance, over-the-counter medical supplies, and uncovered medical, dental and vision expenses for you, your spouse and children. **You can incur expenses through March 15 of 2022. You have through April 15 of 2022 to submit eligible expenses for reimbursement for funds that you elect for 2021.**

Reimbursable Over-The-Counter Medical Supplies

NO PRESCRIPTION NEEDED

Bandages/First Aid Dressing	Contact Lens Solution	Heating Pads	Orthopedic Aids
Birth Control Products	Denture Products	Hot, Cold & Steam Packs	Menstrual care products, Pregnancy & Fertility Kits
Blood Pressure Kits	Diabetes Testing Supplies	Incontinence Products	Splints, Supports, & Braces
Canes & Walkers	Durable Medical Equipment	Insulin	Thermometers
Contact Lenses	Hearing Aid Batteries	Nebulizers	Wheelchairs & Accessories

With the CARES Act, over-the-counter drugs and medication are now eligible reimbursable expenses under FSA. Check www.discoverybenefits.com/employees/eligible-expenses for a list of all eligible expenses.

If you have funds left over at the end of the plan year and do not want to lose the money, you can access the FSA Store by visiting fsastore.com/discbene. The FSA store is exclusively stocked with FSA eligible products so there is no guessing about what is and what is not a reimbursable expense.

Dependent Care Flexible Spending Account (Day Care Expenses)

The Dependent Care Flexible Spending Account (Dependent Care FSA) allows employees to set aside between \$240 and \$5,000 per household per calendar year on a pretax basis for reimbursement for dependent care (day care) costs. Dependent Care FSA eligible expenses include:

- Care for children ages 12 and younger who are claimed as qualified dependents on your tax return
 - Examples: Babysitter, nanny, or summer day camp
- Care for a disabled spouse or dependent of any age, including custodial care of an adult dependent
 - Per IRS regulations, the following must be true to use dependent care funds:
 - Such expenses are not for medical services
 - The dependent person is a qualifying individual
 - In case of services provided outside your household, the person still regularly spends at least eight hours each day in your household
- Examples of ineligible expenses include:
 - Costs already claimed as a dependent care tax credit on your tax return
 - Care at a nursing home, long-term care insurance premiums, respite care or other residential care center and services such as housework
 - Services provided by one of your dependents
 - Expenses while on vacation

Note: If an employee makes less than \$43,000 a year, the federal childcare credit may be more advantageous. Consult a tax advisor to determine which plan works best.

You must incur the expenses by March 15th, of 2022, and you have through April 15 of 2022 to submit eligible expenses for reimbursement against the elections you make in 2021.

Life Insurance and Accidental Death & Dismemberment (AD&D)

Unum provides Denver Health with our Group and Voluntary Life & Accidental Death & Dismemberment (AD&D) benefits. Here are some highlights:

Basic Life Insurance and AD&D

Basic Life insurance and AD&D Denver Health provides all benefit-eligible employees with Basic Life insurance and AD&D coverage. All eligible employees will be covered at one times their annual salary for each policy. There is a minimum policy value of \$50,000 for those employees earning less than \$50,000 a year.

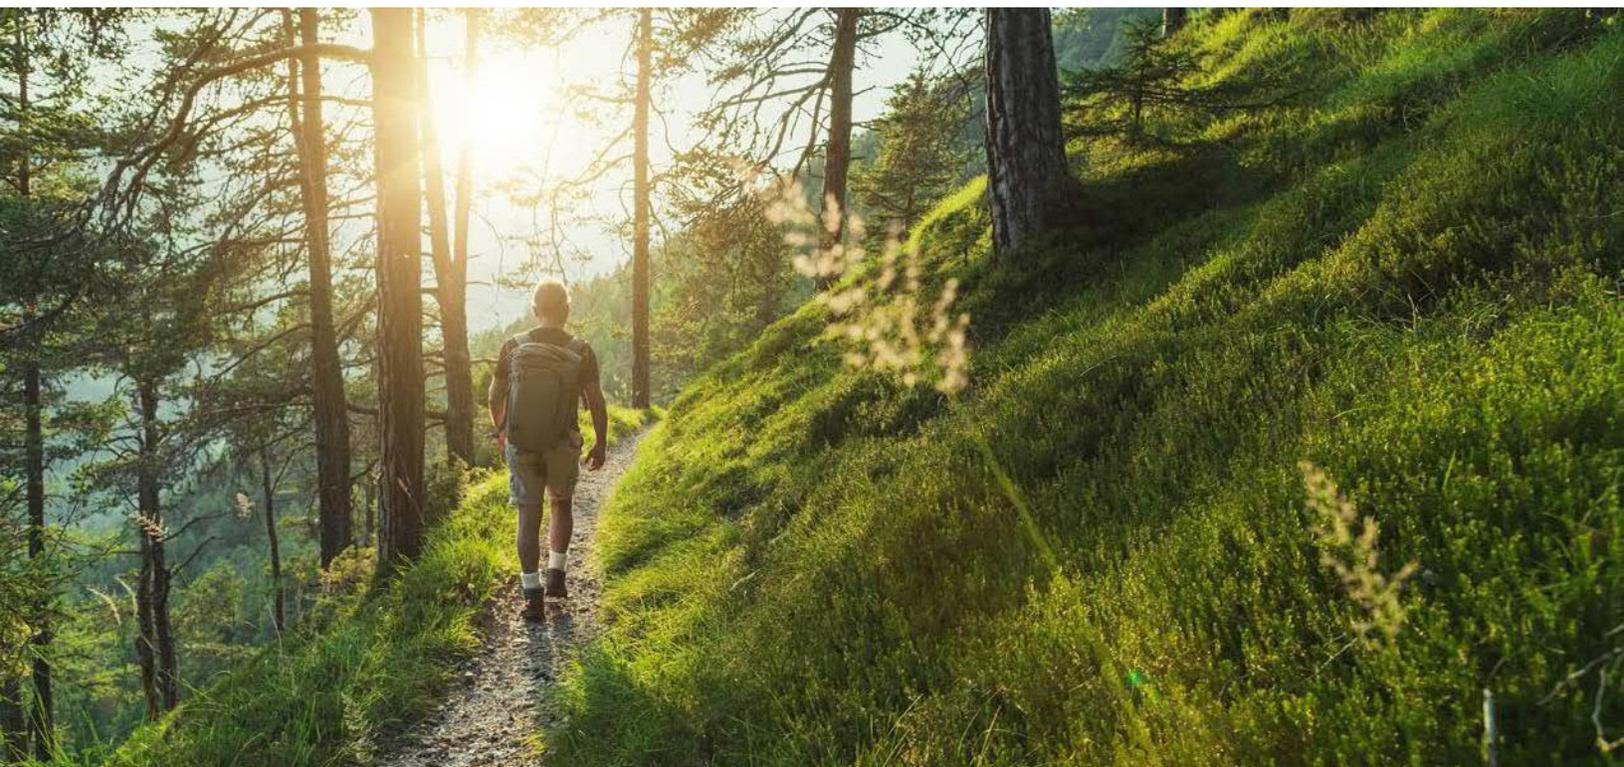

The maximum policy value for this plan is \$500,000 for all employees. This is a double indemnity policy that will pay double the policy's value in the event that the insured dies as a result of a covered accident.

This plan provides a living benefit option if you are diagnosed with a terminal illness expected to result in your death in less than 12 months. You also have the option to convert your coverage to an individual policy if you leave Denver Health.

Unum also offers free access to Will Preparation Services and Beneficiary Support Services through Health Advocate, and free Travel Assistance Services through Assist America.

Voluntary Life Insurance and AD&D

As a new hire employee within 30 days, you have the opportunity to apply for this coverage up to a guaranteed amount of \$250,000 for the employee and \$50,000 for their spouse without having to answer medical questions. Employees can apply during open enrollment or at date of hire for additional Life insurance and/or AD&D coverage for themselves; their spouse including common-law, domestic partner; and children under the age of 26. Voluntary employee coverage may be purchased up to the maximum amount of \$500,000 and is subject to underwriting if applied for outside of initial eligibility.

Disability Plans

Both Short-Term Disability (STD) and Long-Term Disability (LTD) coverage are designed to provide income replacement during a period when the employee is determined to be medically unable to perform their duties due to a non-work related injury, illness, or pregnancy.

STD takes effect the first of the month after your date of hire. LTD takes effect the first of the month following six months of benefits eligible employment. Denver Health provides both STD and LTD coverage free of charge to all benefit-eligible employees who work at least 20 hours per week (FTE 0.5 or greater) on a regular basis.

Short-Term Disability (STD)

In the event an employee is medically unable to work due to a non-work related injury or illness, this benefit may pay up to 60% of the employee's weekly base compensation with a weekly maximum of \$1,750.

For qualified employees, benefits begin paying on the eighth day that the employee is out of work. Employees will receive a portion of lost wages up to a maximum of 26 weeks. After 26 weeks, Denver Health provides a LTD plan for eligible employees.

- STD is used concurrently with Family Medical Leave if eligible.
- STD is a benefit paid to the employee through payroll like a regular paycheck.
- Denver Health pays for 100% of the core cost of this benefit.

Long-Term Disability (LTD) — Unum

Long-Term Disability insurance helps replace a portion of your income if you are unable to work due to an injury or illness. If an employee's disability extends beyond the 26 weeks of STD, then LTD may be available. The plan replaces up to 60% of your covered monthly earnings to a maximum monthly benefit of \$15,000. Denver Health provides this coverage and the cost is included in your annual taxable income. LTD benefits begin after you have been totally disabled for 180 days. This 180-day period is known as the elimination period. Your monthly LTD benefit may be reduced by the amount of other income benefits you receive, but it will not be less than \$100 per month.

STD Buy-Up Option

Benefit-eligible employees have the option to purchase additional STD coverage (buy-up) that would replace up to 70% of your covered weekly earnings up to a maximum weekly amount of \$3,800. Employees would pay for the cost of the buy-up through payroll deduction.

Tuition Reimbursement

Denver Health recognizes the value and importance of an educated workforce. Employees who have been employed in a benefit eligible position for more than 90 days and are working toward a GED or High School Diploma may be eligible to apply for tuition reimbursement. Employees taking college-level courses or working toward a degree that will enhance their performance or provide career advancement at Denver Health may be eligible to apply for tuition reimbursement.

Denver Health provides the following in the Tuition Reimbursement program. **Keep in mind that HR Benefits pre-approval is required prior to class starting.** All benefits are subject to a \$15,000 lifetime maximum. For additional information, visit the Benefits Homepage of the Pulse and click on the Tuition Reimbursement link, <http://tuitionreimbursement/>.

Full-Time Equivalent	Reimbursement Level Based on Full-Time Equivalent Status	2021 Annual Dollar Amount up to Bachelor Degree	2021 Annual Dollar Amount for Master/PhD Programs
1.0	100%	\$2,500	\$3,500
0.9	90%	\$2,250	\$3,150
0.8	80%	\$2,000	\$2,800
0.75	75%	\$1,875	\$2,625
0.7	70%	\$1,750	\$2,450
0.6	60%	\$1,500	\$2,100
0.5	50%	\$1,250	\$1,750

Voluntary Benefits

Critical Illness Insurance

No one can be completely prepared when a critical illness strikes, but if you or a loved one is diagnosed with a covered condition such as cancer, stroke, or heart attack, Critical Illness Insurance provides a lump-sum cash benefit to help pay for out-of-pocket medical expenses or any other bills that need attention, including rent or groceries. Eligible employees can only enroll at open enrollment and other special events throughout the year which will be communicated by your HR team.

Accident Insurance

New for 2021, employees are able to purchase Accident Insurance from Unum at discounted rates through payroll deductions. When you suffer an accident such as a burn or broken bone, Accident Insurance provides a lump-sum cash benefit based on your injury(s) and the treatment you receive. These benefits are paid on top of what your health insurance covers and can be used at your own discretion. Eligible employees can only enroll at open enrollment and other special events throughout the year which will be communicated by your HR team.

Whole Life Insurance

Employees are able to purchase Whole Life Insurance from Unum at discounted rates through payroll deductions. Whole Life policies provide permanent life insurance that you keep regardless of your employment status with Denver Health, and pay benefits in addition to our term life insurance benefit. Additionally, this policy provides Long Term Care benefits to assist employees in paying for the cost of skilled nursing home care with fixed premium rates over the life of the policy. Eligible employees can only enroll at open enrollment and other special events throughout the year which will be communicated by your HR team.

Group Legal Plan

The Metlaw 3 plan includes coverage for family law matters, consumer protections, and to provides assistance for debt matters. The plan includes 4 hours of non-covered plan services in order to ensure more comprehensive legal plan coverage. Benefit eligible employees wishing to enroll in the plan, or cancel their current coverage can do so during open enrollment.

MetLife Home and Auto

MetLife provides benefit eligible Denver Health employees with discounted Auto, Homeowners and Renters insurance through convenient payroll deductions. Contact MetLife at **800-438-6381** for a premium quote or to enroll. Free auto quotes are available at autohome.metlife.com.

Pet Insurance

New for 2021 You care about your pets and consider them members of your family. Pet insurance provides coverage for a wide range of veterinary services, such as wellness visits, vaccinations, surgical procedures, medical care following accidents and illnesses, and more.

HOW TO ENROLL

During the open enrollment period of October 1 – October 16, professional benefit counselors will be available over-the-phone to speak with you about your voluntary benefit options. Benefit counselors will answer your questions, provide additional information, and complete your Critical Illness, Accident, Whole Life, and Pet Insurance elections. Schedule your appointment with a benefit counselor online at DenverHealthMC.MyBenefitsAppointment.com or call 833-717-3643.

Retirement Plans

401(a) Defined Contribution Plan and Trust (Social Security Replacement Plan)

Denver Health employees have a special retirement plan available that most employers are not able to offer. While working for Denver Health, all employees contribute 6.2% of each paycheck (up to IRS limits) to an individual 401(a) plan instead of paying into Social Security. In addition, Denver Health contributes a total of 3% (up to Social Security limits) of each paycheck on the employee's behalf. This is a mandatory defined plan in which employee contributions cannot be stopped or changed.

401(a) Enhanced Retirement Provision

In addition to the 3% contribution for the Social Security Replacement Plan, Denver Health contributes an additional 3% (up to IRS limits) on behalf of all benefit-eligible employees, except DERP participants. These contributions are 100% vested after 3 years of employment with DH for employees hired after August 22, 2015. Employees who are .5 FTE and above are eligible.

457(b) Deferred Compensation Plan (Voluntary Retirement Savings Plan)

Denver Health offers this voluntary retirement plan that allows employees to invest more pretax or after-tax (Roth) dollars up to \$20,000. Employees age 50 or older can invest up to \$26,500. Denver Health will match dollar-for-dollar up to 3.5% of the employee's eligible salary. All employees are auto-enrolled in this plan with contributions set at 3.5%.

Effective January 1, 2021, Denver Health employees hired prior to July 1, 2020 and contributing between 1% - 9.5% to the Denver Health 457(b) Retirement Plan will have a one-time automatic contribution increase of 1%. If you would like to opt out of the automatic increase or make changes, log onto NetBenefits® at www.netbenefits.com/denverhealth or call 800-343-0860 before January 1, 2021, to speak with a Fidelity representative.

DH's matching contribution is also subject to the 3 year vesting schedule for employees hired after August 22, 2015. Other percentage limits of compensation will apply. A variety of Fidelity funds are available to meet your investment needs.

Fidelity Investments is Denver Health's retirement plan vendor. Employees can direct their investments either online at www.netbenefits.com/denverhealth or through Fidelity's call center at **800-343-0860**.

Employees can meet with a Denver Health Fidelity Representative for a one-on-one meeting to discuss your Fidelity retirement plan. Meetings require an appointment. Please call 800-642-7131 to schedule an appointment or visit fidelity.com/atwork/reservations.

Did You Know?

The Denver Health Retirement Plan consists of two parts:

401(a) Plan for all Social Security replacement contributions and contributions made by Denver Health

457(b) Plan for your Employee Voluntary Contributions

Contribution Type	Who Makes the Contribution?	How Much is the Contribution?
Mandatory Contributions (12.2%) made by you and Denver Health into your 401(a) Plan regardless of whether you make any voluntary contributions.		
Employee Social Security Replacement Contribution	You	6.2%
Denver Health Social Security Replacement Contribution	Denver Health	3%
Denver Health Contribution*	Denver Health	3%
Voluntary Contributions made by you and Denver Health		
Employee Voluntary Contribution (made into your 457(b) Plan account)	You	You can contribute up to the 2021 IRS limit of \$20,000. If you will be age 50 or older in 2021, you can contribute an additional \$6,500.
Denver health Matching Contribution* (made into your 401(a) Plan account)	Denver Health	Dollar-for-dollar match up to 3.5% of your eligible pay.

* Intermittent employee and DERP participants are not eligible for these contributions.

Employee Well-being Benefits and Perks

Physical, Financial, Mental, Social

Denver Health cares about YOU! As an employee at Denver Health, you have access to many benefits and resources that support Total Worker Health - a holistic approach that supports worker safety, health, and well-being.

Adoption Assistance Program

All benefit eligible employees can receive a lump sum payment of \$8,700 when they adopt a child. The benefit is available to employees who have been in a benefit eligible position for at least 12 months prior to the finalization of the adoption. One payment is available per family per year regardless of number of children adopted, and is payable for all types of adoptions with the exception of stepchildren already in the custody of a biological parent. The full policy and the applications will be available on the Pulse, and in the MyHR office.

Health Advocate Call Center

The Health Advocate Call Center advocates are available from 8 AM to 10 PM for benefit questions. For EAP related questions, you can call 24/7. You can reach an advocate at **866-799-2728** or **HealthAdvocate.com/members**. Health Advocate can assist you with:

- Questions about your benefit choices and options
- Finding a doctor, scheduling appointments and securing prior authorizations.
- Resolving claim issues

Health Advocate Employee Assistance Program

Benefits for you, your spouse or domestic partner, dependent children, parents, and parents-in-laws, to help find resources to solve personal problems. These problems may include issues with family, childcare, alcohol, drugs, emotions, stress, and legal or financial questions.

- 5 face-to-face sessions per incident per family member per year
- Confidential
- EAP is available 24 hours a day, 7 days a week
- Call **866-799-2728** or go to **HealthAdvocate.com/members**. You can use the Health Advocate mobile app.
- Email at answers@HealthAdvocate.com

Resilience in Stressful Events (RISE): Peer Support for Caregivers in Distress

Denver Health RISE is a hospital-based program created by Johns Hopkins Medicine and Maryland Patient Safety Center. DH RISE Peer Responders are available 24/7 to provide immediate, confidential peer-to-peer support to all caregivers who experience distressing events at work- the unexpected loss of a patient; a troubling encounter with a family member; an adverse clinical care situation; work place violence; or a medication error. Email DHRISE@dhha.org or call 303-436-RISE for more information.

WorkLife Partnership: Better Work. Better Life.

Denver Health partners with WorkLife to provide resources and assistance to help you overcome work-life challenges. WorkLife services are always free and confidential.

Examples of how WorkLife Navigators may help:

- Help determine the best housing for your situation and guide you to search options and financial assistance for things like a deposit.
- Help find reliable and affordable transportation options.
- Find budgeting solutions for debt issues, help apply for hospital assistance programs, or help to understand medical bills.
- Help navigate employee assistance programs or other community resources to find free or low cost options for counseling and/or legal services.
- Accessing Resources for Affordable childcare.

Contact a WorkLife Navigator at 303-298-1625, text NAVIGATOR to 888-219-8993, email navigator@worklifepartnership.org or visit worklifepartnership.org/contact-navigator.

Denver Health Employee Fitness Center

The fitness center is located on the fourth floor of 601 Broadway. A Denver Health ID badge is required to enter the building and fitness center. Email at fitness.center@dhha.org.

- The fitness center is open 24 hours a day, 7 days a week.
- The fitness center is approximately 1900 square feet and includes cardio equipment, strength-training machines, free weights, a small group fitness studio and full service lockers rooms with day-use lockers and showers.
- Membership is available to all Denver Health and Hospital Authority and CSA employees, contract personnel, physician residents and Denver Health volunteers.
- Membership dues are \$7.50 per pay period. Fitness classes are included in membership!

Healthy Hospital Initiative

Our Healthy Hospital efforts aim to provide team members with a supportive and healthy workplace environment so that we can in turn be supportive and resilient for the patients and families we serve. Denver Health is continuously improving the nutritional offerings by way of healthier food, beverages, marketing, and breastfeeding support to create a culture and organization that promotes health and well-being. Denver Health is proud to be involved with the Colorado Healthy Hospital Compact which supports our vision to make Denver the healthiest community in the United States.

PerkSpot

PerkSpot is a one-stop-shop for exclusive discounts at many of your favorite national and local merchants! You can use PerkSpot to find hundreds of deals on everything from household essentials to once-in-a-lifetime vacations. PerkSpot is mobile-optimized, so you can access it at home, from work, or on the go! The best part is that it's no cost to you. PerkSpot can be found by following the links on the Pulse, or by going to <http://denverhealth.perkspot.com>.

Denver Parks and Recreation Discount

All DHHA employees may purchase annual Regional, Local, or Neighborhood tier memberships at a discount (25% off Denver resident rates). Benefit eligible employees (FTE .5 or higher) may enroll in Denver Parks and Recreation's (DPR) payroll deduction program to arrange for payment in monthly installments from their paychecks. Family memberships also available to all individuals in an employee's household at 50% with the purchase of an employee membership. Access the payroll deduction form the pulse or email benefits_department@dhha.org.

RTD Eco Pass

All Denver Health and CSA employees in a 0.5 FTE or higher are eligible to receive an RTD EcoPass. Intermittent employees are not eligible to participate per our contract with RTD. Employees may enroll for the EcoPass at any time during the calendar year. Applications for the EcoPass and to pick up your printed pass, email MyHR at : MYHR@dhha.org or visit MyHR between 7:30 AM – 5 PM M-F by appointment, located at 601 Broadway, 5th floor. Employees who terminate employment with Denver Health will have their EcoPass badge deactivated. There is no cost to eligible employees to apply for the EcoPass. Denver Health will assess a \$10 fee for lost, misplaced or unaccounted for EcoPass badges. Pursuant to the EcoPass contract, RTD or Denver Health may confiscate and prosecute unauthorized use of the EcoPass.

Important Notices

Women's Health and Cancer Rights Act Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce asymmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator at 303-602-7000.

Insurance Marketplace Coverage Options

To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be

eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.86% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage.

Also, this employer contribution as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost.

Please visit <http://connectforhealthco.com/> or <https://www.healthcare.gov/> for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Medicaid and The Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from Denver Health, the state of Colorado may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP, contact the State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP and you think you or any of your dependents might be eligible for either of these programs, contact the State Medicaid or CHIP office or dial 1-877-KIDS NOW or insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

If you have questions about enrolling in your employer plan, contact the Department of Labor at askebsa.dol.gov or call 866- 444-EBSA (3272).

Important Notice to Employees from DENVER HEALTH AND HOSPITAL AUTHORITY about Creditable Prescription Drug Coverage and Medicare

The purpose of this notice is to advise you that the prescription drug coverage listed below under the Denver Health and Hospital Authority medical plan are expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2021. This is known as "creditable coverage."

Why this is important. If you or your covered dependent(s) are enrolled in any prescription drug coverage during 2021 listed in this notice and are or become covered by Medicare, you may decide to enroll in a Medicare prescription drug plan later and not be subject to a late enrollment penalty – as long as you had creditable coverage within 63 days of your Medicare prescription drug plan enrollment. You should keep this notice with your important records.

If you or your family members aren't currently covered by Medicare and won't become covered by Medicare in the next 12 months, this notice doesn't apply to you.

Please read the notice below carefully. It has information about prescription drug coverage with Denver Health and Hospital Authority and prescription drug coverage available for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

Notice of Creditable Coverage

You may have heard about Medicare's prescription drug coverage (called Part D), and wondered how it would affect you. Prescription drug coverage is available to everyone with Medicare through Medicare prescription drug plans. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans also offer more coverage for a higher monthly premium.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible, and each year from October 15 through December 7. Individuals leaving employer/union coverage may be eligible for a Medicare Special Enrollment Period.

If you are covered by one of the Denver Health and Hospital Authority prescription drug plans, you'll be interested to know that the prescription drug coverage under the plans is, on average, at least as good as standard Medicare prescription drug coverage for 2021. This is called creditable coverage. Coverage under one of these plans will help you avoid a late Part D enrollment penalty if you are or become eligible for Medicare and later decide to enroll in a Medicare prescription drug plan.

- DHHA Medical Care HMO
- HighPoint HMO
- HighPoint Point of Service Plan

If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage.

In this case, the Denver Health and Hospital Authority plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop Denver Health and Hospital Authority coverage, Medicare will be your only payer. You can re-enroll in the employer plan at annual enrollment or if you have a special enrollment event for the Denver Health and Hospital Authority plan, assuming you remain eligible.

You should know that if you waive or leave coverage with Denver Health and Hospital Authority and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will always be at least 19% higher than what most other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage.

In addition, you may have to wait until the following October to enroll in Part D.

You may receive this notice at other times in the future – such as before the next period you can enroll in Medicare prescription drug coverage, if this Denver Health and Hospital Authority coverage changes, or upon your request.

For more information about your options under Medicare prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the Medicare & You handbook. Medicare participants will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. Here's how to get more information about Medicare prescription drug plans:

- Visit www.medicare.gov for personalized help.
- Call your State Health Insurance Assistance Program (see a copy of the Medicare & You handbook for the telephone number).
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov or call 1-800- 772-1213 (TTY 1-800-325-0778).

Remember: Keep this notice. If you enroll in a Medicare prescription drug plan after your applicable Medicare enrollment period ends, you may need to provide a copy of this notice when you join a Part D plan to show that you are not required to pay a higher Part D premium amount.

For more information about this notice or your prescription drug coverage, contact:

Denver Health and Hospital Authority

General Notice of COBRA Continuation Coverage Rights

This notice is being provided to you at this time because you have recently become, or are about to become, covered under a group health plan being maintained by the Denver Health Medical Plan, otherwise known as the Plan. This notice generally explains group health insurance continuation coverage, when it may become available, and what you need to do to protect the right to receive it. It is important that all covered individuals take the time to read this notice carefully and be familiar with its contents.

Only one notice is being provided to all plan participants at this time, since based upon the information provided to the plan, all plan participants live at the same location. However, continuation coverage rights apply individually to a covered spouse and/or covered dependent children. So if there is a covered dependent whose legal residence is different, you must provide written notification to the plan administrator so a notice can be sent to them as well. Should you add additional dependent children in the future, notice to the covered employee and spouse at this time will be deemed notification to the newly covered dependent.

What Is Continuation Coverage - The right to group health insurance continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Should you lose your group health insurance in the future because of one of the below listed qualifying events, covered employees and covered family members (called qualified beneficiaries) will be offered the opportunity for a temporary extension of health coverage (called "Continuation Coverage") at group rates which you will be required to pay. This notice is intended to inform all plan participants, in a summary fashion only of your potential future options and obligations under the continuation coverage provisions of federal law. Should an actual qualifying event occur in the future, the plan administrator will send you additional information and the appropriate election notice at that time. Please take special note, however, of your notification obligations and procedures, which are highlighted in this notification.

Qualifying Events for Covered Employee - If you are the covered employee, you will become a qualified beneficiary and have the right to elect health plan continuation coverage if you lose your group health coverage because of a termination of your employment (for any reason other than gross misconduct on your part), or a reduction in your hours of employment (including military call-up).

Qualifying Events for Covered Spouse - If you are the covered spouse of an employee, you will become a qualified beneficiary and have the right to elect health plan continuation coverage for yourself if you lose health coverage because of any of the following reasons:

1. A termination of your spouse's employment for (any reason other than gross misconduct on the employee's part) or a reduction in your spouse's hours of employment (including military call-up);
2. The death of your spouse;
3. Divorce, or if applicable, legal separation from your spouse; or
4. Your spouse becomes enrolled in Medicare benefits (Part A, Part B, or both).

Under federal law, the term "spouse" includes a person of the opposite sex and the employee and spouse are married according to the state law in which they reside. While the group health plan may allow domestic partners and/or same sex marriage partners to be covered by the plan, if they lose group health insurance as a result of one of the above listed events, they will not be offered the opportunity to continue group health insurance as an individual qualified beneficiary.

Qualifying Events for Covered Dependent Children -

If you are the covered dependent child of an employee, you will become a qualified beneficiary and have the right to elect continuation coverage for yourself if you lose group health coverage because of any of the following reasons:

1. A voluntary or involuntary termination of the parent-employee's employment (for any reason other than gross misconduct on the employee's part) or a reduction in the parent-employee's hours of employment;
2. The death of the parent-employee;
3. Parent's divorce or, if applicable, legal separation;
4. The parent-employee becomes enrolled in Medicare benefits (Part A, Part B, or both); or
5. You cease to be eligible for coverage as a "dependent child" under the terms of the plan.

Employer Notification Responsibilities: If the qualifying event is a termination of employment, reduction in hours, death or enrollment in Medicare benefits (Part A, Part B, or both), or if retiree coverage is provided, a commencement of a bankruptcy proceeding, the employer must notify the Plan Administrator of the qualifying event within a maximum period of 30 days.

Once notified, the plan administrator will then notify you of your continuation coverage rights.

IMPORTANT EMPLOYEE/COVERED DEPENDENT NOTIFICATION RESPONSIBILITIES REGARDING DIVORCE, DEPENDENT CHILDREN CEASING TO BE DEPENDENTS

While the employer is responsible for certain qualifying events described above, under group health plan rules and COBRA law, the employee, spouse, or other family member has the responsibility to notify the plan administrator of a divorce, legal separation, or a dependent child losing dependent status under the plan. For a complete description on the plan eligibility rules regarding a spouse and/or children, please read your (summary plan description). To protect your continuation coverage rights in these two situations, this notification of a qualifying event must be made within 60 days from whichever date is later, the date of the event or the date on which health plan coverage would be lost under the terms of the insurance contract because of the event.

You must provide this notice to COBRA Administrator. Procedures for making this proper and timely notice are listed below. Example:

1. Complete the COBRA Qualifying Event/Extension of Benefits notification form on Benefits web site.
2. Make a copy of the form for your records.
3. Attach the required documentation depending upon the qualifying event or physician certification.
4. Mail the notification form to the address listed on the form and document your mailing.
5. Call within 10 days to ensure the notification form has been received.

If this notification is not completed according to the outlined procedures and within the required 60-day notification period, the individual will be notified they have forfeited their group health insurance continuation coverage rights. **NO LATE NOTIFICATIONS WILL BE ACCEPTED!** In addition, keeping an individual covered by the health plan beyond what is allowed by the plan will be considered insurance fraud on the part of the employee.

How is continuation coverage provided? Once the COBRA administrator learns a qualifying event has occurred, the administrator will notify qualified beneficiaries of their rights to elect continuation coverage. Each qualified beneficiary has independent election rights, so for example, a covered employee may elect group health insurance coverage on behalf of their spouse, and parents may elect on behalf of their children. More specific information regarding the maximum election period will be provided to the qualified beneficiary at the time of the qualifying event. **NO LATE ELECTIONS WILL BE ACCEPTED.** If a qualified beneficiary elects continuation coverage, they will be required to pay the entire cost for the group health insurance, plus a 2% administration fee. Should coverage change or be modified for non-COBRA participants, then the change and/or modification will be made to your coverage as well.

Length of Continuation Coverage - 18 or 24 Months. If the event causing the loss of coverage is a voluntary termination or involuntary termination of employment (other than for reasons of gross misconduct) or a reduction in work hours, then each qualified beneficiary will have the opportunity to continue coverage for a maximum period of 18 months. If you are a reservist and are called to active duty, each qualified beneficiary will have the opportunity to continue coverage for a maximum period of 24 months. Exception: If you are participating in a health flexible spending account at the time of the qualifying event, you will only be allowed to continue the health flexible spending account until the end of the current plan year in which the qualifying event occurs.

In general, there are three ways in which the 18 or 24-month period of continuation coverage can be extended.

Social Security Disability Extension - The 18 or 24 months of continuation coverage can be extended for additional months of coverage, to a maximum of 29 months, for all qualified beneficiaries if the Social Security Administration determines a qualified beneficiary was disabled according to Title II or XVI of the Social Security Act. The disability would have to have started at some time prior to the date of the qualifying event or within the first 60 days of continuation coverage and must last until the end of the 18 or 24-month period of continuation coverage.

It is the qualified beneficiary's responsibility to obtain this disability determination from the Social Security Administration and provide a copy of the determination according to the below listed notification procedures within 60 days after the date of determination and before the original 18 or 24 months expire. **NO LATE NOTIFICATIONS WILL BE ACCEPTED!** Notice must be provided to COBRA Administrator.

1. Complete the enclosed COBRA Qualifying event notification form on Benefits web site.
2. Make a copy of the form for your records.
3. Attach the required documentation depending upon the qualifying event.
4. Mail the notification form to the address listed on the form and document your mailing.
5. Call within 10 days to insure the notification form has been received.

Secondary Event Extension - Another extension of the 18 or above mentioned 29-month continuation period can occur, if during the 18 or 29 months of continuation coverage, a second qualifying event takes place such as a divorce, legal separation, death, Medicare entitlement (under Part A, Part B, or both), or a dependent child ceasing to be a dependent. A second event can only occur if the second event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Continuation coverage will be extended to a maximum 36 months from the date of the original qualifying event date for eligible dependent qualified beneficiaries. It will be the qualified beneficiary's responsibility to notify the plan administrator of a second event. Procedures for making proper and timely notice of a second event will be detailed in the election notice when a qualifying event occurs.

Special Medicare Entitlement Rule for Dependents Only - If the employee is entitled to Medicare benefits prior to the date of the original 18-month qualifying event, then the dependent qualified beneficiaries are eligible for the 18 months of continuation coverage, or 36 months measured from the date of the Medicare entitlement, whichever is greater. For example, if a covered employee becomes entitled to Medicare eight (8) months prior to the date on which employment terminates, the dependent qualified beneficiaries will be offered 28 months of continuation coverage (36 - 8 = 28). The covered employee, however, will only be offered 18 months.

Length of Continuation Coverage - 36 Months. If the original event causing the loss of coverage was the death of the employee, divorce, legal separation, Medicare entitlement, or a dependent child ceasing to be a dependent child, then each dependent qualified beneficiary will have the opportunity to continue coverage for a maximum 36 months from the date of the qualifying event. Under no circumstances will coverage be provided for longer than 36 months.

Eligibility, Premiums, And Potential Conversion Rights – A qualified beneficiary must have been actually covered by the plan on the day before the event to be eligible for continuation coverage. A qualified beneficiary will be required to pay the full premium equal to 100% plus a 2% administration charge. At the end of the 18, 24, 29, or 36 months of continuation coverage, a qualified beneficiary will be allowed to enroll in an individual conversion health. The law also provides that continuation coverage will end prior to the maximum continuation period for a variety of reasons. Should a qualifying event occur in the future, the election notice will detail these early termination reasons.

Notification of Address Change - In order to protect your group health insurance continuation coverage rights and to insure all covered individuals receive information properly and efficiently, active employees are required to change their address on the LAWSON portal as soon as possible. Failure on your part to do so will result in delayed notifications or a loss of continuation coverage options. Address change should be done through your LAWSON portal.

Any Questions? - This notice is a summary of your potential future continuation coverage options only and not a description of your actual health plan or full COBRA rights. For any health plan questions, you should review the DHMP Member Handbook located at www.denverhealthmedicalplan.com. Should you have any continuation coverage questions regarding the information contained in this or any future notice,

you should contact the parties listed below. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area.

Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's web site at www.dol.gov/ebsa.

Notice of Special Enrollment Rights for Health Plan Coverage

As you know, if you have declined enrollment in Denver Health and Hospital Authority health plan for you or your dependents (including your spouse) because of other health insurance coverage, you or your dependents may be able to enroll in some coverages under this plan without waiting for the next open enrollment period, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your eligible dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Denver Health and Hospital Authority will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you will have 60 days – instead of 30 – from the date of the Medicaid/CHIP eligibility change to request enrollment in the Denver Health and Hospital Authority group health plan. Note that this new 60-day extension doesn't apply

to enrollment opportunities other than due to the Medicaid/CHIP eligibility change.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan.

Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator at **303-602-7000**.

ACA Section 1557 Notice, Statement and Taglines

For translated versions of the following ACA Section 1557 notices, please see the HHS website, here: <https://www.hhs.gov/civil-rights/for-individuals/section-1557/translated-resources/index.html>

Discrimination is Against the Law

Denver Health and Hospital Authority complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. Denver Health and Hospital Authority does not exclude people or treat them differently because of race, color, national origin, age, disability or sex.

- Denver Health and Hospital Authority provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
 - Provides free language services to people whose primary language is no English, such as:
 - Qualified interpreters
 - Information written in other languages
- If you need these services, contact

**HEALTHY FAMILIES & WORKPLACES ACT (“HFWA”):
Employee Rights to Paid Leave**

Employers in Colorado Must Provide Paid Leave for COVID-19 Needs Through Dec. 31, 2020

- Employers in Colorado must provide paid leave in 2020 to an employee who:
 - (1) has **COVID-19 symptoms** and is seeking a medical diagnosis;
 - (2) is instructed by a government agent or a health provider to **quarantine or isolate** due to COVID-19 risk; or
 - (3) is **taking care of someone else** due to COVID-19 precautions -- either someone ordered to quarantine or isolate, or a child whose school, place of care, or childcare is closed or unavailable.
- Starting in 2021, HFWA requires less paid leave (1 hour per 30 hours worked, with a maximum of 48 hours’ paid leave a year) but covers a wider range of conditions, and adds 32 more hours’ paid leave (80 total) in public health emergencies.

How Much Paid Leave: Up to Two Weeks (80 hours)

- Employees can take **up to 2 weeks** of paid leave: **up to 80 hours**, depending on their weekly hours.
- Paid leave is at the employee’s **regular pay rate**, or can be at $\frac{2}{3}$ **pay for category #3** (care for someone else). The pay rate does not include overtime or bonuses. If pay is all or partly sales-based, paid leave must be either at the employee’s hourly or salaried rate, or at the applicable minimum wage (whichever is higher).
- If an employee already received paid leave in 2020 for COVID-19-related needs, that counts as part of the 2 weeks that HFWA requires, but leave provided for *non*-COVID conditions does not count toward what HFWA requires.

Retaliation or Interference with HFWA Rights

- An employer cannot fire, threaten, or otherwise **retaliate against or interfere with**, an employee who: (A) requests or takes HFWA leave; (B) informs another person about HFWA rights, or supports that person’s exercise of HFWA rights; (C) files a HFWA complaint; or (D) cooperates/assists in an investigation about a potential HFWA violation.
- If an employee’s HFWA complaint, request, or other activity is *incorrect*, an employer need not agree or grant it -- but still cannot fire or take other *action against* the employee for that reason, as long as the employee’s belief was reasonable and in good-faith. Employees *can* face consequences for misusing paid leave or other misconduct.

Coverage: All Employers and Employees, with Limited Exceptions

- **All employers in Colorado, regardless of size**, must provide HFWA paid leave, except the federal government (other government employers are not exempt) and those covered by the federal Railroad Unemployment Insurance Act.
- Employers with **under 16 employees are covered in 2020, but exempt in 2021 (then all employers covered in 2022)**
- Employers providing “equivalent or more” paid leave by collective bargaining agreement are exempt from certain HFWA requirements, as long as they don’t diminish rights, such as anti-retaliation or the right to file a complaint.
- Employee agreements or employer policies **cannot waive HFWA rights**, and are void and unenforceable.

This Poster summarizes two Colorado workplace public health laws, SB 20-205 (paid leave) and HB 20-1415 (whistleblowing and personal protective equipment). It does not cover other health or safety laws, rules, and orders, including under the federal Occupational Safety and Health Act (OSHA), from the Colorado Department of Public Health and Environment (CDPHE), or from local public health agencies. Contact those agencies for more such health and safety information.

This poster must be displayed where it is accessible to workers, shared with remote workers electronically or on paper, and replaced with the 2021 poster by January 1, 2021.

For more information, or if translations into other languages are needed, contact: Division of Labor Standards and Statistics, coloradolaborlaw.gov, cdle_labor_standards@state.co.us, 303-318-8441 / 888-390-7936.

**PUBLIC HEALTH EMERGENCY WHISTLEBLOWER LAW (“PHEW”):
Worker Rights to Express Workplace Health Concerns & Use Protective Equipment**

Worker Rights to Oppose Workplace Health/Safety Violations During Public Health Emergencies

- It is unlawful to retaliate against, or interfere with, the following acts during, and related to, a public health emergency:
 - (1) **raising reasonable concerns**, whether a formal complaint or informally to any person, about workplace violations of government health or safety rules, or about a significant workplace threat to health or safety;
 - (2) **opposing** a violation (of the type in category 1); or
 - (3) **testifying, assisting, or participating** in a proceeding about a violation (of the type in category 1).
- If a worker’s PHEW complaint, request, or other activity is *incorrect*, an employer or other business need not agree or grant it -- but still cannot fire or take other *action against* the worker for that reason, as long as the worker’s belief was reasonable and in good-faith. Workers *can* face consequences for misusing PHEW rights or other misconduct.

Workers Rights to Use Their Own Personal Protective Equipment (“PPE”)

- A worker must be allowed to **voluntarily wear their own PPE**, such as a mask, faceguard, or gloves, if that PPE:
 - (1) provides **more protection** than equipment provided at the workplace;
 - (2) is **recommended** by a government health agency (federal, state, or local); and
 - (3) does not make the worker **unable to do the job**.

Coverage: All Employers and Employees, Plus Certain Independent Contractors

- PHEW uses the terms “**principal**” and “**worker**” (not employer/employee) because it covers independent contractors.
 - (1) Any employer in Colorado, *and* any business in Colorado with *5 or more* independent contractors, is a covered “principal” that must comply with PHEW. The federal government is exempt from this law.
 - (2) An employee *or* an independent contractor at a “principal” is a “worker” covered by PHEW.

COMPLAINT RIGHTS (under both HFWA & PHEW)

- Potential violations can be submitted for investigation to the Division (contact information below).
 - **Failure to provide paid leave** under HFWA is an “unpaid wage” claim that the Division **must** investigate and decide.
 - **Retaliation or interference** with PHEW or HFWA rights is a claim that the Division by law **may** investigate. The Division will review all such claims, and if the decision is *not* to investigate, the Division will inform the claimant.
- Potential violations can instead be filed as lawsuits in court, but only after exhausting these pre-lawsuit remedies:
 - **HFWA**: a court lawsuit (A) cannot be filed *until* the employer is given a written demand and 14 days to respond, and (B) cannot be filed *if* the Division investigates and decides the claim (which parties can appeal).
 - **PHEW**: a court lawsuit cannot be filed without first filing with the Division, then (A) *can* be filed if the Division does *not* investigate, and (B) *cannot* be filed if the Division investigates and *decides* the claim (which parties can appeal).

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#) or other underlined terms see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

Important Questions	Answers	Why This Matters
What is the overall deductible ?	\$0 individual/\$0 family.	Generally, you must pay all of the costs from providers , up to the deductible amount before this plan begins to pay. An embedded plan has individual deductibles and a max out-of-pocket . Cost-sharing begins when the member reaches their individual deductible (including copayment).
Are there services covered before you meet your deductible ?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$4,350 individual/\$8,700 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan , all family member's expenses will count towards the overall family out-of-pocket limit .
What is not included in the out-of-pocket limit ?	Premiums , balance billing charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit
Will you pay less if you use a network provider ?	Yes. See https://www.denverhealthmedicalplan.org/ or call 1-800-700-8140 for a list of network providers .	This plan uses Denver Health and Hospital Authority and the Denver Health provider network. The Columbine network is used for chiropractic services. Cofinity providers are in-network for outpatient mental health services only. Please be aware, your network provider may use an out-of-network provider for some services such as lab work. Check with your provider before you receive services. Out-of-network providers are not covered on this plan except for urgent care or emergency.
Do you need a referral to see a specialist ?	Yes, for some providers .	For Denver Health and Hospital Authority, you will need a referral to see most specialists .

Questions: Call 1-800-700-8140 or visit us at www.denverhealthmedicalplan.org.

If you aren't clear about any of the underlined terms used in this form, please see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Excluded Services & Other Covered Services:

Services Your Plan Generally Does NOT Cover (Check your policy or plan document for more information and a list of any other excluded services .)		
<ul style="list-style-type: none">• Elective abortions• Cosmetic surgery• Dental care (adult/child)	<ul style="list-style-type: none">• Long-term care• Infertility treatment• Routine foot care	<ul style="list-style-type: none">• Weight loss programs• Acupuncture• No coverage provided outside the U.S.
Other Covered Services (Limitations may apply to these services. This isn't a complete list. Please see your plan document.)		
<ul style="list-style-type: none">• Oxygen• Chiropractic care	<ul style="list-style-type: none">• Hearing aids• Routine eye care (adult, child)	<ul style="list-style-type: none">• Private-duty nursing (when medically necessary)

Your Rights to Continue Coverage: There are agencies that can help if you want to continue your coverage after it ends. The contact information for those agencies is: U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-EBSA (3272) or <https://www.dol.gov/agencies/ebsa>, or U.S. Department of Health and Human Services, Center for Consumer Information and Insurance Oversight, at 1-877-267-2323 x61565 or www.cciio.cms.gov. Other coverage options may be available to you too, including buying individual insurance coverage through the Health Insurance [Marketplace](#). For more information about the [Marketplace](#), visit www.HealthCare.gov or call 1-800-318-2596.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your [plan](#) for a denial of a [claim](#). This complaint is called a [grievance](#) or [appeal](#). For more information about your rights, look at the explanation of benefits you will receive for that medical [claim](#). Your [plan](#) documents also provide complete information to submit a [claim](#), [appeal](#), or a [grievance](#) for any reason to your [plan](#). For more information about your rights, this notice, or assistance, contact: Denver Health Medical Plan, Inc. at 1-800-700-8140 or www.denverhealthmedicalplan.org, or the Department of Labor's Employee Benefits Security Administration at 1-866-444-EBSA (3272) or <https://www.dol.gov/agencies/ebsa>.

Does this [plan](#) provide Minimum Essential Coverage? Yes

If you don't have [Minimum Essential Coverage](#) for a month, you'll have to make a payment when you file your tax return unless you qualify for an exemption from the requirement that you have health coverage for that month.

Does this [plan](#) meet the Minimum Value Standards? Yes

If your [plan](#) doesn't meet the [Minimum Value Standards](#), you may be eligible for a [premium tax credit](#) to help you pay for a [plan](#) through the [Marketplace](#).

Questions: Call 1-800-700-8140 or visit us at www.denverhealthmedicalplan.org.

If you aren't clear about any of the underlined terms used in this form, please see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

Peg is Having a Baby

(9 months of in-network pre-natal care and a hospital delivery)

- The [plan's](#) overall [deductible](#): \$0
- [Specialist copayment](#) \$30 per visit
- Hospital (facility): \$200 [copay](#)
- Other [coinsurance](#): 20%

This EXAMPLE event includes services like:

Specialist office visits (*prenatal care*)
 Childbirth/delivery professional services
 Childbirth/delivery facility services
 Diagnostic tests (*ultrasounds and blood work*)
 Specialist visit (*laboratory*)

Total Example Cost	\$12,700
---------------------------	-----------------

In this example, Peg would pay:

<i>Cost Sharing</i>	
Deductibles	\$0
Copayments	\$310
Coinsurance	\$0
<i>What isn't covered</i>	
Limits or exclusions	\$60
The total Peg would pay is	\$370

Managing Joe's Type 2 Diabetes

(A year of routine in-network care of a well- controlled condition)

- The [plan's](#) overall [deductible](#): \$0
- [Specialist copayment](#) \$30 per visit
- Hospital (facility): N/A
- Other [coinsurance](#): 20%

This EXAMPLE event includes services like:

Primary care physician office visits (*including diabetes education*)
 Diagnostic tests (*blood work*)
 Prescription drugs (*preferred generic by mail*)
 Durable medical equipment (*glucose meter*)

Total Example Cost	\$7,400
---------------------------	----------------

In this example, Joe would pay:

<i>Cost Sharing</i>	
Deductibles	\$0
Copayments	\$340
Coinsurance	\$346
<i>What isn't covered</i>	
Limits or exclusions	\$55
The total Joe would pay is	\$741

Mia's Simple Fracture

(In-network emergency room visit and follow up care)

- The [plan's](#) overall [deductible](#): \$0
- [Specialist copayment](#) \$30 per visit
- Hospital (facility): \$150 [copay](#)
- Other [coinsurance](#): 20%

This EXAMPLE event includes services like:

Emergency room care (*including medical supplies*)
 Diagnostic test (*x-ray*)
 Durable medical equipment (*crutches*)
 Rehabilitation services (*physical therapy*)

Total Example Cost	\$1,900
---------------------------	----------------

In this example, Mia would pay:

<i>Cost Sharing</i>	
Deductibles	\$0
Copayments	\$180
Coinsurance	\$7
<i>What isn't covered</i>	
Limits or exclusions	\$0
The total Mia would pay is	\$187

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#) or other underlined terms see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

Important Questions	Answers	Why This Matters
What is the overall deductible ?	\$100 individual/\$200 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. An embedded plan has individual deductibles and a max out-of-pocket . Cost-sharing begins when the member reaches their individual deductible (including copayment).
Are there services covered before you meet your deductible ?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$5,000 individual/\$10,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan , all family members' expenses will count towards the overall family out-of-pocket limit .
What is not included in the out-of-pocket limit ?	Premiums , balance billing charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.denverhealthmedicalplan.org or call 1-800-700-8140 for a list of network providers .	This plan uses Denver Health and Hospital Authority, UC Health, CU Health Partners, Colorado Pediatric Partners and the Children's Hospital Colorado provider network. The Columbine network is used for chiropractic services. Cofinity providers are in-network for outpatient mental health services only. Please be aware, your network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you receive services. Out-of-network providers are not covered on this plan except for urgent care or emergency.
Do you need a referral to see a specialist ?	Yes, for some providers .	For Denver Health and Hospital Authority, you will need a referral to see most specialists . Within the HighPoint network, you do not need a referral for claim payment, but the specialist may request a referral from your PCP prior to care.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

Peg is Having a Baby

(9 months of in-network pre-natal care and a hospital delivery)

- The [plan's](#) overall [deductible](#): \$100
- [Specialist copayment](#) \$40 per visit
- Hospital (facility): \$400 [copay](#)
- Other [coinsurance](#): 20%

This EXAMPLE event includes services like:

Specialist office visits (*prenatal care*)
 Childbirth/delivery professional services
 Childbirth/delivery facility services
 Diagnostic tests (*ultrasounds and blood work*)
 Specialist visit (*laboratory*)

Total Example Cost	\$12,731
---------------------------	-----------------

In this example, Peg would pay:

<i>Cost Sharing</i>	
Deductibles	\$100
Copayments	\$460
Coinsurance	\$0
<i>What isn't covered</i>	
Limits or exclusions	\$60
The total Peg would pay is	\$620

Managing Joe's Type 2 Diabetes

(A year of routine in-network care of a well- controlled condition)

- The [plan's](#) overall [deductible](#): \$100
- [Specialist copayment](#) \$40 per visit
- Hospital (facility): N/A
- Other [coinsurance](#): 20%

This EXAMPLE event includes services like:

Primary care physician office visits (*including diabetes education*)
 Diagnostic tests (*blood work*)
 Prescription drugs (*preferred generic by mail*)
 Durable medical equipment (*glucose meter*)

Total Example Cost	\$7,390
---------------------------	----------------

In this example, Joe would pay:

<i>Cost Sharing</i>	
Deductibles	\$100
Copayments	\$240
Coinsurance	\$446
<i>What isn't covered</i>	
Limits or exclusions	\$55
The total Joe would pay is	\$841

Mia's Simple Fracture

(In-network emergency room visit and follow up care)

- The [plan's](#) overall [deductible](#): \$100
- [Specialist copayment](#) \$40 per visit
- Hospital (facility): \$150 [copay](#)
- Other [coinsurance](#): 20%

This EXAMPLE event includes services like:

Emergency room care (*including medical supplies*)
 Diagnostic test (*x-ray*)
 Durable medical equipment (*crutches*)
 Rehabilitation services (*physical therapy*)

Total Example Cost	\$2,128
---------------------------	----------------

In this example, Mia would pay:

<i>Cost Sharing</i>	
Deductibles	\$100
Copayments	\$190
Coinsurance	\$7
<i>What isn't covered</i>	
Limits or exclusions	\$0
The total Mia would pay is	\$297

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#) or other underlined terms see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

Important Questions	Answers	Why This Matters
What is the overall deductible ?	\$500 individual/\$1,000 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. An embedded plan has individual deductibles and a max out-of-pocket . Cost-sharing begins when the member reaches their individual deductible (including copayment).
Are there services covered before you meet your deductible ?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$5,000 individual/\$10,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan , all family members' expenses will count towards the overall family out-of-pocket limit .
What is not included in the out-of-pocket limit ?	Premiums , balance billing charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.denverhealthmedicalplan.org or call 1-800-700-8140 for a list of network providers .	This plan uses Denver Health and Hospital Authority, UC Health, CU Health Partners, Colorado Pediatric Partners and the Children's Hospital Colorado provider network. The Columbine network is used for chiropractic services. Cofinity providers are in-network for outpatient mental health services only. Please be aware, your network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you receive services. Out-of-network providers are not covered on this plan except for urgent care or emergency.
Do you need a referral to see a specialist ?	Yes, for some providers .	For Denver Health and Hospital Authority, you will need a referral to see most specialists . Within the HighPoint network, you do not need a referral for claim payment, but the specialist may request a referral from your PCP prior to care.

Questions: Call 1-800-700-8140 or visit us at www.denverhealthmedicalplan.org.

If you aren't clear about any of the underlined terms used in this form, please see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Common Medical Event	Services You May Need	What You Will Pay		Limitations, Exceptions & Other Important Information
